EDITOR'S NOTE

Welcome to Spring 2023 semester! I hope your semester has gotten off to a good start. Wow, we are more than halfway through this academic year, and what a journey it has been! As Editor-In-Chief and Outreach Coordinator, I'm grateful for this opportunity to express my creativity and work towards the goal of publishing my first newsletter. Spending hours on my laptop and designing layouts has been a great experience for me! I would like to express my gratitude for the AGS Board and our advisor Dr. Reyes for always supporting me, and of course, all of our hard-working members who are part of AGS. We are constantly looking for ways to improve and thrive to be an organization that is here to support you all. This semester, AGS is looking forward to hosting more events, workshops, and fundraising events, so stay tuned! Wishing everyone a best of luck <3

AGS Basketball Game Fundraiser

Feb 25th
&
Mar 4th

We held our first in-person fundraising event of the year at a basketball game! A shout-out to our Fundraising Coordinator Khaled, who brought about this event with the CCSF Physical Education Department which AGS has never done before.

Everyone's favorite was pizza, and it sold out really quickly! At the beginning, we were worried that people would come to buy food, snacks, and drinks during the half-time break in the basketball game, and as we expected, there was a long line! But we still managed to serve a warm pizza for each customer. It was a huge success, and we want to express our gratitude to each one of you for supporting us!

Spring Unity Day

Our mascot, Rocky the Ram!

Spring Unity Day was originally scheduled to be held at the Amphitheater, but due to heavy rain, the event moved to Smith Hall cafeteria. Every semester, ASCO (Associate Student Council of Ocean Campus) organizes this event for CCSF students to join clubs and learn about resources and departments. Unity Day is really a great opportunity for all students, especially those who are new to CCSF, to meet new people, find useful resources, and make the most of the community college experience!

ALUMNI PANEL & GUEST SPEAKER EVENT

AGS Alumni Panel

On April 12th, four previous AGS officers joined us on Zoom call and shared their transfer experience! We would like to give a special thanks to our panelists, Cindy, Anara, Cris, and Natalia!

Guest Speaker Event

A special thanks to our guest speaker, Cris, for coming to CCSF and giving us tips on how to stand out on a transfer application and presenting us many programs that universities offer. It was very informative for all students who are planning to transfer to a four-year university. His words motivated us all to work hard and made us believe that transferring is achievable!
